Investment Adviser Representative - Raymond Tropp is an investment Adviser representative with Capital Analyst Inc. Capital Analysts and Lincoln Investment provide incentives, such as sales conferences, for financial advisers, the eligibility for which may be based on the number of advisory accounts or the total assets under management. This may present a potential conflict of interest. Capital Analysts and Lincoln Investment hold their Financial Advisers to a Code of Ethics and owe a fiduciary duty to all clients. Both firms require your Financial Adviser to place your interests above his or her own at all times and to avoid any recommendation that would not be in your best interest. It is each financial adviser's responsibility to understand and adhere to the requirements of the Code of Ethics, as well as applicable laws, regulations, and rules.

ADDITIONAL COMPENSATION

Your adviser's involvement in other business activities as described above defines additional activities for which your adviser could recommend other products or services to you. This creates a potential conflict of interest for your adviser to promote these products or services in addition to the advisory services.

The registered investment adviser holds your adviser to a Code of Ethics and a fiduciary duty to advisory clients. The registered investment adviser requires your adviser to place your interests above their own at all times and to avoid any recommendation that would not be in your best interest. It is each adviser's responsibility to understand and adhere to the requirements of the Code of Ethics, as well as applicable laws, regulations, and rules.

Perceived or actual conflicts of interest that may arise in relation to advisory services are governed by your adviser's professional and legal duties as a fiduciary, and by the registered investment adviser's policies and procedures designed to mitigate and disclose the existence of such conflicts.

Please refer to the Fees and Compensation section in the registered investment adviser's Investment Advisory Disclosure Brochure (Form ADV 2A) which should have been provided to you by your Financial Adviser. The Fees and Compensation section describes in detail the potential other forms of compensation received by your adviser such as brokerage or insurance commissions, due diligence seminars, sales incentives, loans, or advances.
