Investment Related Business Affiliations, Conflicts and Compensation

Joseph C. Randazzo is actively engaged in investment-related businesses as a registered representative of Lincoln Investment and an investment adviser representative of one or more investment advisers. Depending on the account type (brokerage or advisory), compensation to your Financial Professional will vary. Lincoln Investment and Capital Analysts limit the securities offerings and third party money managers available to your Financial Professional for recommendation. Your Financial Professional's recommendations will be in your best interest.

When you open a brokerage account, your Financial Professional will receive a transaction-based sales commission or concession based on the product acquired. Financial Professionals may also receive ongoing distribution and/or retention compensation from mutual funds and annuities. In brokerage accounts, conflicts arise from the varying compensation associated with different product type recommendations. Effective 9/1/2020, brokerage commissions and brokerage assets tied to Massachusetts residents are excluded from Lincoln's sales contests due to the Commonwealth of Massachusetts' Fiduciary Rule imposed on broker dealers that is effective 9/1/2020. For Massachusetts' residents, this creates a financial incentive for your Financial Professional to recommend advisory services over brokerage services.

When you open an advisory account, Financial Professionals receive either a portion of the advisory fee assessed on assets they service, or a flat or hourly fee. Your Financial Professional is held to a fiduciary duty. It is each Financial Professional's responsibility to understand and adhere to the requirements of the Code of Ethics, as well as applicable laws, regulations, and rules.

Joseph C. Randazzo's involvement in other business activities as described below defines additional activities for which your Financial Professional could recommend other products or services to you. This creates a conflict of interest for your Financial Professional to promote these products or services in addition to the services described above.

Independent Registered Investment Adviser

Joseph C. Randazzo is also an investment adviser representative of a non-affiliated investment adviser, Beacon Financial Advisory, LLC.

Insurance Agent

Joseph C. Randazzo is licensed through Lincoln Investment or an independent agency to solicit, offer and sell insurance products. Your Financial Professional may be appointed with various insurance companies. Your Financial Professional may receive separate, yet customary commissions and other financial incentive compensation resulting from the purchases and sales of insurance products. When you purchase insurance products your Financial Professional will receive a transaction-based sales commission or concession based on the product acquired. Conflicts arise from the varying compensation associated with the recommendations made by your Financial Professional.

Other Businesses/Affiliations

Listed below are other businesses your Financial Professional is currently engaged in which provide either a substantial source of income and/or substantial amount of your Financial Professional's time. Also included are all businesses where your Financial Professional's role is as sole proprietor, officer, director or partner. These businesses are independently owned and not related or supervised by Lincoln Investment or Capital Analysts.

Randazzo is a member of Tartan Wealth Management and part owner of Tartan Tax CPA's, LLC; Attorney at Randazzo Law Office; Owner of Buckeye Deferred Comp, LLC; Treasurer and board member at Hudson Baseball Association; Committee member at the Northeast Ohio Planned Giving Council For American Cancer Society; Member of EZR Life, LLC, which oversee the management of real estate rentals.

Item 5 – ADDITIONAL COMPENSATION

Joseph C. Randazzo is permitted to participate in sales contests, incentives, gifts and entertainment offered by Lincoln Investment and/or Capital Analysts, at the Financial Professional's discretion and subject to applicable laws. Lincoln Investment monitors your Financial Professional's recommendations with the objective of ensuring recommendations are in the client's best interest. Our firm does not permit sales contests, sales quotas, bonuses, and non-cash compensation that are based on the sales of specific securities or specific types of securities within a limited period of time. Your Financial Professional is permitted to receive cash and non-cash compensation from third party product providers and money managers to assist with due diligence and marketing expenses. In order to mitigate the financial conflict associated with third party compensation, the maximum amount of marketing support reimbursement and/or entertainment your Financial Professional is permitted to receive is \$1,000 from each product provider annually. Gifts from these third parties are limited to a value of \$100 annually. Product Providers are permitted to provide an occasional meal and/or nominal merchandise. For more information see The Lincoln Investment Companies Investor Agreement and Disclosure Handbook.
